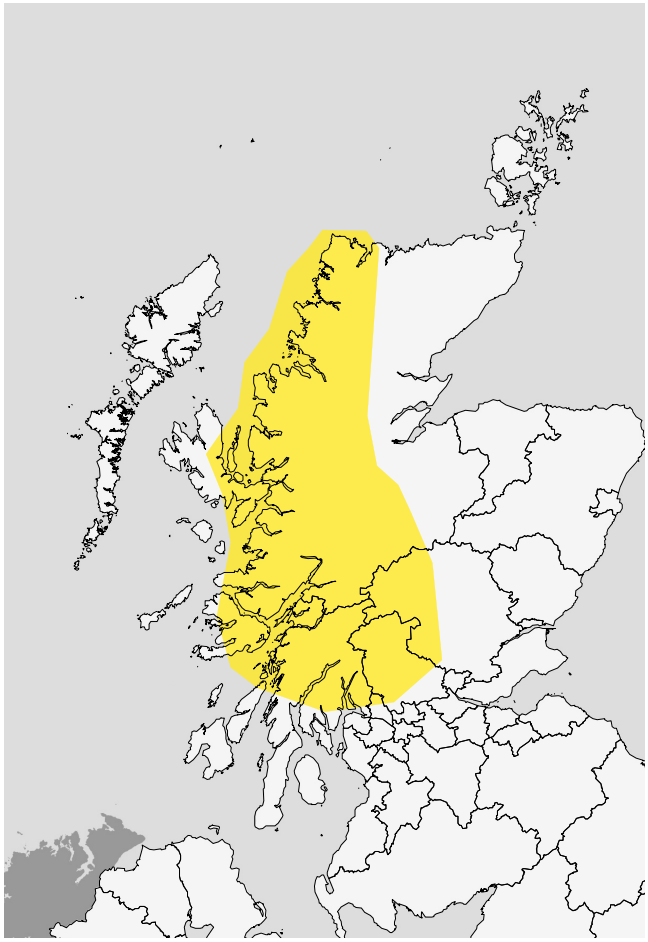
Yellow warning
Rain

Between
09:00 Sat 26 Dec 2020 and
23:59 Sat 26 Dec 2020



Persistent heavy rain in the west is likely to result in localised flooding and cause travel disruption.

What to expect

- A few homes and businesses flooded
- Bus and train services affected with journey times taking longer
- Spray and flooding on roads will make journey times longer
- Some interruption to power supplies and other services

Further details

Heavy persistent rain across the west of Scotland for much of Boxing day with widely 20-30mm, locally 40mm, and 60-80mm on high ground. This is likely to result in localised flooding of roads and some properties.

Rain will be accompanied by strong to gale force winds, resulting in difficult driving conditions and large waves giving a risk of spray along the west coast.

Persistent rain clears to showers Saturday night.
